The first step grievance shall be presented to the designated supervisor involved in quadruplicate (on forms furnished by the Employer to the Association and any prospective grievant) and signed and dated by the employee(s) and/or Association representative.

**4/1/3** An employee may choose to have the appropriate Association representative represent the employee at any step of the grievance procedure. If an employee brings any grievance to the Employer's attention without first having notified the Association, the Employer representative to whom such grievance is brought shall immediately notify the appropriate Association representative and no further discussion shall be had on the matter until the appropriate Association representative has been given notice and an opportunity to be present.

**4/1/4** Individual employees or groups of employees shall have the right to present grievances in person or through other non-Association representatives of their own choosing at Steps One, Two or Three of the grievance procedure, provided that the appropriate Association representative has been afforded the opportunity to be present at any discussions and that any settlement reached is not inconsistent with the provisions of this Agreement. However, where the grievant is unable to contact the designated agency representative to appeal the grievance, the grievant may present the Step Two appeal to the Step One designated supervisor for forwarding to the designated agency representative. The appropriate agency representative(s) will meet with the employee(s) and the employee's representative and attempt to resolve the grievance. A written decision will be placed on the grievance form following the meeting by the appropriate agency representative and returned to the employee(s) and the employee's representative within ten (10) calendar days from receipt of the appeal to the agency representative.

**Step Three:**

**4/2/3** If dissatisfied with the Employer's decision in Step Two, to be considered further, the grievance must be appealed to the designee of the Employer (i.e., Division Administrator, Bureau Director, or personnel office) within ten (10) calendar days from receipt of the decision in Step Two. The designated agency representative(s) will meet with the employee and the employee's representative at the assigned headquarters unless mutually agreed otherwise to discuss and attempt to resolve the grievance. In addition, one of the statewide officers may participate in this meeting. Such participation shall be without compensation, travel or subsistence expenses, except that when the statewide officer is functioning in the employee's assigned departmental district or departmental headquarters station such participation shall be without loss of pay. Following this meeting, the written decision of the agency will be placed on the grievance form by the Employer or the Employer's designee and returned to the grievant and the grievant's representative within twenty-one (21) calendar days from receipt of the appeal to Step Three.

**Step Four:**

**4/2/4** Grievances which have not been settled under the foregoing procedure may be appealed to arbitration by the Association or the Employer within thirty (30) calendar days from the date of the agency's decision in Step Three, except grievances involving discharge or claims filed under s. 230.36, Wis. Stats., must

be appealed within fifteen (15) calendar days, or the grievance will be considered ineligible for appeal to arbitration. If an unresolved grievance is not appealed to arbitration, it shall be considered terminated on the basis of the Third Step answers of the parties without prejudice or precedent in the resolution of future grievances. The issue as stated in the Third Step shall constitute the sole and entire subject matter to be heard by the arbitrator, unless the parties agree to modify the scope of the hearing.

**4/2/5** For the purpose of selecting an impartial arbitrator, the parties will meet within fourteen (14) calendar days from the date of the written appeal of the grievance to arbitration. If the parties are unable to agree on an impartial arbitrator within the fourteen (14) calendar day period, the parties or party, acting jointly or separately, shall request the Wisconsin Employment Relations Commission to submit a panel of arbitrators. If the parties are still unable to reach agreement, a request will be made to the Federal Mediation & Conciliation Service to furnish a panel of arbitrators and final selection shall be in accordance with the procedures established by the Federal Mediation & Conciliation Service.

**4/2/6** Where two (2) or more grievances are appealed to arbitration, an effort will be made by the parties to agree upon the grievances to be heard by any one (1) arbitrator. On the grievances where agreement is not reached, a separate arbitrator shall be appointed for each grievance.

**4/2/7** The cost of the arbitrator and expenses of the hearing, including a court reporter, if requested by either party, will be shared equally by the parties, except as provided in Section 11 of this Article. Each of the parties shall bear the cost of their copy of the transcript and of their own witnesses, including any lost wages or expenses that may be incurred, except as provided in Section 14 of this Article.

**4/2/8** On grievances where the arbitrability of the subject matter is an issue, a separate arbitrator shall be appointed to determine the question of arbitrability, unless the parties agree otherwise. Where the question of arbitrability is not an issue, the arbitrator shall only have authority to determine compliance with the provisions of this Agreement. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify, or ignore in any way the provisions of this Agreement and shall not make any award which in effect would grant the Association or the Employer any matters which were not obtained in the negotiation process.

**4/2/9** The decision of the arbitrator will be final and binding on both parties of this Agreement. The decision of the arbitrator will be rendered within thirty (30) calendar days from receipt of the briefs from the parties or the transcript in the event briefs are not filed.

### **Section 3 Special Arbitration Procedures**

**4/3/1** In the interest of achieving more efficient handling of routine grievances, including grievances concerning minor discipline, the parties agree to the following special arbitration procedures. If either of the parties believes that a particular case is precedential in nature and therefore not properly handled through these special procedures, that case will be processed through the full arbitration procedure in subsection 4/2/4 - 4/2/9. Cases decided by these methods of dispute resolution shall not be used as precedent in any other proceeding.

Arbitrators will be mutually agreed to by the State Engineering Association, and the State ~~Division~~Bureau of Collective Bargaining for both of these procedures during the term of the contract.

4. The arbitrator will give a bench or other decision within five (5) calendar days. The arbitrator may deny, uphold, or modify the action of the Employer. All decisions will be final and binding.
5. Where written decisions are issued, such decisions shall identify the process as non-precedential in the heading or title of the decision(s) for identification purposes.
6. The cost of the arbitrator and the expenses of the hearing will be shared equally by the parties on a pro-rated basis dependent on Union/Association participation.
7. Representatives of DER and SEA shall meet and mutually agree on an arbitrator.

B. Umpire Arbitration Procedure

1. The cases presented to the arbitrator will consist of campus, local institution, or work site issues, and other individual situations mutually agreed to.
2. Cases will be given an initial joint screening by representatives of the State Bureau of Collective Bargaining and SEA. Either party will provide the other with an initial list of the cases which it wishes to be heard on a scheduled hearing date at least forty-five (45) calendar days prior to a hearing date.

This list may be revised upon mutual agreement of the parties at any time up to fifteen (15) calendar days prior to the hearing date.

3. Statements of facts and the issue will be presented by the parties, in writing, to the arbitrator at least seven (7) calendar days prior to the hearing date, unless the arbitrator agrees to fewer days for that particular hearing date. If contract language is to be interpreted, the appropriate language provisions of the contract will also be provided to the arbitrator prior to the hearing.

4. Whenever possible, the cases will be grouped by campus, institution and/or geographic area and heard in that area. The hearing site may be moved to facilitate the expeditious handling of the day's cases.

5. The case in chief will be limited to five minutes by each side with an opportunity for a one minute rebuttal and/or closing. No witnesses will be called. No objections will be allowed. No briefs or transcripts shall be made. 6. The arbitrator will render a final and binding decision on each case at the end of the day on the form provided. The arbitrator may deny, uphold or modify the action of the Employer.

7. The cost of the arbitrator and the expenses of the hearing will be shared equally by the parties on a pro-rated basis, dependent on Union/Association participation.

#### **Section 4 Time Limits**

**4/4/1** Grievances not appealed within the designated time limits in any step of the grievance procedure will be considered as having been adjudicated on the basis of the last preceding Employer answer. Grievances not answered by the Employer within the designated time limits in any step of the grievance procedure may be appealed to the next step within ten (10) calendar days of the expiration of the designated time limits. The parties may, however, mutually agree in writing to extend the time limits in any step of the grievance procedure.

**4/4/2** If the Employer representative with whom a grievance appeal must be filed is located in a city other than that in which the grievance was processed in the preceding step, the mailing of the grievance appeal form shall constitute a timely appeal if it is postmarked within the appeal period. Likewise, when an Employer answer must be forwarded to a city other than that in which the Employer representative works, the mailing of the answer shall constitute a timely response if it is postmarked within the answer period.

## **Section 5 Representation**

**4/5/1** An employee may consult with the appropriate Association representative during working hours for a reasonable period of time relative to a grievance matter by first contacting the employee's supervisor. Employees who voluntarily terminate their employment will have their grievances immediately withdrawn and will not benefit by any later settlement of a group grievance.

However, where no grievance representatives can be designated for a department in a geographical location, grievance representatives from other departments within that geographical location may be utilized to process individual or group grievances. All designations will be made in a manner as to avoid unnecessary travel.

**4/8/3** The Association shall notify the Employer in writing of the names of the grievance representatives, and their respective jurisdictional areas within the thirty (30) calendar days after the effective date of this

Agreement. In addition, where grievance representatives are designated to process grievances in departments other than their own, the Association shall also provide the name and telephone number of the grievance representative's appropriate departmental or employing unit office to contact to arrange the meeting(s). Any changes thereto shall be forwarded to the Employer by the Association as soon as the changes are made.

Appeals of written reprimands or any other disciplinary action, excluding verbal reprimands, shall be filed at Step One of the grievance procedure.

**4/12/2** An employee shall be entitled to the presence of a designated grievance representative at an investigatory interview if the employee requests one and if the employee has reasonable grounds to believe that the interview may be used to support disciplinary action against the employee.

**4/12/3** ~~If any discipline is taken against an employee, both the employee and Association shall receive a copy of such disciplinary action.~~ Disciplinary action taken by the Employer, other than verbal reprimands, shall be in writing with a copy simultaneously sent to the employee(s) and the designated Association representative. The e-mail system shall not be used to transmit such written discipline to employees or Association representatives. A good faith effort shall be made to maintain confidentiality when communicating about disciplinary matters via e-mail. A breach of confidentiality under this section cannot be the basis for appeal of, reduction or nullification of discipline. This provision will be disseminated to all supervisors.

## **Section 13 Exclusion of Probationary Employees**

**4/13/1** Notwithstanding Section 12 above, the retention or release of probationary employees shall not be subject to the grievance procedure.

## **Section 14 Pay Status of Arbitration Witnesses**

**4/14/1** When a bargaining unit employee is subpoenaed by either party in an arbitration case involving this bargaining unit, that employee shall appear without loss of pay if the employee appears during the employee's regularly scheduled hours of work provided the testimony given is relevant to the employee's job functions and is relevant to the arbitration case.

## **ARTICLE V**

### **Seniority**

#### **Section 1 General**

**5/1/1** Seniority for employees hired after the effective date of this Agreement shall be determined by the original date of employment with the State of Wisconsin. Seniority for existing bargaining unit employees shall be their seniority date as of the effective date of this Agreement. Seniority for employees who become members of the bargaining unit during the term of this Agreement shall be their adjusted continuous service date or seniority date as of the time they became members of the unit. When the Employer becomes responsible for a function previously administered by another governmental agency, a quasi-public, or a private enterprise, the seniority of employees who become bargaining unit members as a result of this change of responsibility shall be their adjusted continuous service date which gives credit for their service with the other governmental agency, quasi-public, or private enterprise as of the date of the change of responsibility. In accordance with the above, the employee with the earliest date shall be considered having the greatest seniority.

#### **Section 2 Separation**

**5/2/1** Seniority as established in Section 1 above, shall be changed only where the employee is separated from state service by discharge, resignation or layoff.

**5/2/2** Where separation has occurred and the employee is subsequently rehired, the date of rehire shall begin the seniority date except as outlined below:

**5/2/3** A. Where an employee is laid off and restored or reinstated within five (5) years thereof, the employee shall retain their original date of employment for the computation of seniority.

**5/2/4** B. Where, within ~~three (3)~~five (5) years of resignation, an employee is reinstated, the new seniority date shall be the original date of employment adjusted to a new and later date which gives no credit for the period of resignation during which they were not an employee of the state.

**5/2/5** In the event two (2) employees have the same seniority date, seniority of the one as against the other shall be determined by age with the oldest employee considered having the greatest seniority.

### **Section 3 Application**

**5/3/1** Management shall be required to apply seniority as defined above only as specifically provided in this contract and subject to any limitations set forth in any particular Article or Section of this contract.

### **Section 4 Seniority Lists**

**5/4/1** Seniority lists shall be posted in the appropriate employing unit offices and shall be submitted to the Association semiannually (on or about July 15, sorted by employing unit and January 15, sorted by department and by classification).

## **ARTICLE VI**

### **Hours of Work**

#### **Section 1 Work Schedules**

##### **A. Definition**

**6/1/1** Work schedules are defined as an employee's assigned hours, days of the week, days off, and shift rotations. Wherever practicable, employees shall be provided advance notice of their assigned work schedules.

##### **B. Work Schedule Changes**

**6/1/2** The parties recognize that operational requirements may make it necessary for the Employer to change the regular work schedules of individual employees as well as the schedules of entire work units. Insofar as possible, a minimum of five (5) workdays notice shall be provided to affected employees.

#### **Section 2 Overtime**

##### **A. Definitions**

**6/2/1** 1. Overtime--Time that an employee works in excess of forty (40) hours worked per workweek, in accordance with the standards applied by the Fair Labor Standards Act for determining "hours worked".

**6/2/2** 2. Workweek--A regularly reoccurring period of one hundred and sixty eight (168) hours in the form of seven (7) consecutive twenty four (24)-hour periods.

**6/2/3** 3. Worktime

a. All hours actually spent performing duties on the assigned job.

b. Rest Periods--Taken in accordance with Section 6 of this Article.

c. Meal Periods

(1) Periods less than thirty (30) minutes.

(2) Where an employee is not relieved of their post, station or duty.

d. Travel time required by the Employer:

(1) Travel between job sites before, during or after the regular workday.

(2) Travel from the location specified by management for the purpose of receiving instructions or to pick up or deliver tools, materials, equipment, or supplies to the job site. This shall not apply to persons paid to carry tools in their vehicles or to employees meeting solely for the purpose of riding together to a job site.

(3) The time spent in traveling from an employee's place of residence to and from a work site is not considered work time except in those instances where an employee is required by the Employer to travel in excess of eighteen (18) miles one way, measured from the employee's home work station or place of residence, whichever is closer.

(4) The time spent in traveling by car-pools from the employee's home work station or other appropriate and reasonable meeting place designated by management to and from a work site is not considered work time except in those instances where the required travel exceeds eighteen (18) miles one way.

(5) In applying this subsection, those miles traveled in excess of eighteen (18) will be considered work time.

#### B. Overtime Assignments

**6/2/4** Whenever scheduled overtime work is required, the Employer shall whenever practical assign such scheduled overtime work by seniority on a rotating basis among those employees in the classification(s) assigned to the work unit who normally perform the work involved.

**6/2/5** In the overtime assignment process, employees shall be permitted to decline scheduled overtime work; however, the Employer shall have the right to require the performance of overtime work. When all employees in the work unit who normally perform the work involved decline an opportunity for scheduled overtime, the Employer shall require the performance of scheduled overtime work on each occasion in reverse seniority order, beginning with the employee with the least seniority.

**6/2/6** Employees who do not want to accept scheduled overtime work on an ongoing basis may file a written waiver on a quarterly basis. Such waiver shall indicate that the Employer is relieved from the requirement to offer scheduled overtime work to the employee for the period covered in the waiver. The waiver in no way affects the ability of the Employer to require the employee signing the waiver to perform scheduled overtime work as provided in this Section.

#### C. Eligibility for Overtime Credit and Compensation

**6/2/7** Employees in salary ranges 14-03 through 14-06, 14-22 through 14-26, 14-46 through 14-48 and 14-55 through 14-57 shall receive overtime credit for those hours worked in a workweek which are in excess of forty (40), provided that such hours were worked at the specific direction of and were previously approved by management.

**6/2/8** Compensation for overtime credits shall be in cash calculated at the employee's base rate or compensatory time off on an hour for hour basis as the Employer may elect. However, if the overtime credited as compensatory time exceeds forty (40) hours in a calendar year, any such overtime credits in excess of the forty (40) hours shall be paid in cash at the employee's base rate or compensatory time off on an hour for hour basis as the employee may elect. Such compensatory time off shall be subject to the provisions of Article VI, Section 3 of this Agreement.

### **Section 3 Scheduling of Vacation, Personal Holidays and Compensatory Time Off**

**6/3/1** A. The parties recognize that the Employer has the right to determine the number of employees within each classification and work unit that may be absent at any given time. However, absences for vacation (annual leave), compensatory time credits, and personal holidays shall be granted at times and in amounts most desired by employees whenever operations permit.

**6/3/2** B. In scheduling vacation (annual leave), or compensatory time credits, choice of time and amounts shall be scheduled in accordance with Article VI, Section 3/B./5. Once these periods of absence have been scheduled, the Employer shall make changes in such schedules only to meet unanticipated staff shortages or emergencies. In the event the Employer finds it necessary to cancel a scheduled absence, the affected employee may either reschedule such absence during the remainder of the calendar year (providing it does not affect any other employee's scheduled period of absence) or extend the scheduling into the first six (6) months of the ensuing calendar year as the employee desires. It is the expressed intent of the Employer to exercise the authority to change such schedule periods as seldom as possible.

1. Should an employee become ill or injured immediately before or during a scheduled absence period, the employee may cancel such scheduled time off credits as charged and utilize sick leave under the provisions of Article XIII, Section 4, commencing with the date the employee informs the Employer.

2. Employees who transfer shall carry their selections to their new work unit providing no other employee's selection is adversely affected.

3. Notwithstanding paragraph B., above, employees shall be permitted to carry over forty (40) hours of earned annual leave credit to the first six (6) months of the ensuing calendar year.

4. In accordance with the provisions and limitations of this Section, employees shall be permitted to schedule a minimum of one week (40 hours) of their vacation credits (annual leave) during the period May 1 through October 31 each year.

5. Within the basic framework provided above, and considering seniority as a factor, the implementation and application of vacation scheduling shall be determined by the local association section and local management within sixty (60) days of the effective date of this contract or by January 31 each year of the contract, whichever is later. Agreements under the provisions of this section will be reduced to writing.

**6/3/3** C. All compensatory time credits earned shall be scheduled and used prior to seasonal layoff or January 1, whichever is first. However, if the Employer does not permit an employee to use accrued compensatory time by January 1, the employee shall, at the Employer's discretion, be paid in cash or be permitted to carry such credits into the first four (4) months of the new calendar year.

**6/3/4** Employees permitted to carry unused compensatory time credits into the new calendar year shall use such credits prior to May 1. If the Employer does not permit an employee to use such credits prior to May 1 or does not require an employee to do so, the unused compensatory time credits shall then be paid in cash at the employee's current base hourly rate.

**6/3/5** D. Personal Holidays

Employees may take their personal holidays at any time during the calendar year provided the days selected by the employee have the prior approval of the Employer.

#### **Section 4 Standby**

**6/4/1** When the Employer requires that an employee must be available for work immediately and able to report for duty in less than one (1) hour, the employee shall be considered to be in standby status. Such employee shall be compensated on the basis of a fee of twenty (\$20.00) dollars for each eight (8) consecutive hour period or any portion thereof for which the employee is in standby status.

#### **Section 5 Maximum Lunch Period**

**6/5/1** No employee shall be required to take more than one (1) hour as a lunch period. However, this shall not be construed as prohibiting the Employer from having scheduled split shifts.

## **Section 6 Rest Periods**

**6/6/1** Recognizing the fact that employees covered by this Agreement are professional, reasonable rest periods may be taken at the employee's discretion. However, such rest periods shall not conflict with the fulfillment of the operational needs of the work unit.

## **Section 7 Flextime**

**6/7/1** Flextime shall be defined as a work schedule structure requiring that all employees be in work status during a specified number of core hours with scheduling flexibility allowed for beginning and ending times surrounding those core hours.

**6/7/2** The Employer agrees that reasonable efforts will be made to explore the possibility of implementing flextime in appropriate work environments. Implementation of flextime, or a variation thereof, shall be by mutual agreement between the Employer and the Association.

**6/7/3** Nothing in this section shall infringe upon Management's ability to insure adequate coverage for operational requirements.

## **Section 8 Night Differential**

**6/8/1** The Employer agrees to pay a supplemental night differential at a rate of seventy five cents (\$0.75) per hour for all hours worked between the hours of 6:00 p.m. and 6:00 a.m. when such hours of work are directed by management.

## **Section 9 Weekend Differential**

**6/9/1** A supplemental weekend differential at a rate of one dollar and twenty five cents (\$1.25) per hour will be paid for all hours worked between the hours of 12:01 a.m. on Saturday and 11:59 p.m. on Sunday.

## **Section 10 Call Back**

**6/10/1** Employees called back for duty or called in on the employee's day off will be guaranteed a minimum of two (2) hours of work with pay.

## ARTICLE VII

#### Section 1 Transfer Registration

7/1/1 A. An employee who has permanent status in the employee's current classification and desires to transfer within the employee's department, shall file a written request as prescribed by the agency with the appropriate department personnel office indicating that interest.

7/1/2 B. Whenever a permanent vacancy is created involving a new position and the duties are substantially different or involve a different geographical location, or where a permanent vacancy occurs in a permanent position for which no employees have registered for transfer as provided in A., above, the Employer shall announce the vacancy on a department-wide basis. The announcement shall be in the same manner as the announcement for promotional exams as provided in Article XI, Section 6 of this Agreement. A period of fourteen (14) calendar days shall be allowed for interested employees to file a written request to be considered for that vacancy.

7/1/3 C. During the period while the selection process in Section 2 and/or Section 3 is being administered, the Employer may temporarily fill the vacancy to fulfill operational requirements.

7/1/4 D. When the Employer conducts transfer interviews, necessary and reasonable time for such interviews within the same agency shall be without loss of pay during the employee's scheduled work hours. Employees will be reimbursed in accordance with the provisions of Article XIII, Section 12 (Travel and Lodging) for necessary and reasonable travel expenses incurred while participating in interviews in accordance with the provisions of this Section.

#### Section 2 Selection Process

7/2/1 When a permanent vacancy occurs in a permanent position, the Appointing Authority shall review those requests on file from any employees in the same agency who are in the same classification or a classification in the same, counterpart, or higher pay range ~~or a classification with the same pay range maximum or counterpart pay range~~ as the vacancy and have indicated an interest in the specific shift or location of the vacancy. The appointing authority shall give first consideration to qualified employees in the same agency who request or have requested a transfer.

**7/2/2** In making a selection, the Employer shall take into consideration improvement of overall departmental staffing, job requirements, ability including any special qualifications and seniority. Any employee who is selected for transfer shall have three (3) workdays to decline the offer. However, an employee selected for a transfer requiring a change of headquarters location shall have five (5) workdays to decline an offer.

**7/2/3** The Employer shall notify each applicant in writing of the reason(s) the employee was not selected, if they so request.

### **Section 3 Transfer Between Employing Units**

**7/3/1** In the event that the vacancy is not filled by transfer of an employee under provisions of Section 2 of this Article, the Employer shall consider interested employees from other employing units who have registered with the department on the basis of improvement of overall department staffing, job requirements, ability including any special qualifications, and seniority. Any employee who is selected for transfer shall have five (5) workdays to decline the offer. In the event the vacancy is not filled by transfer, the Employer may fill the vacancy in accordance with the Wisconsin Statutes.

### **Section 4 Definition of Permanent Vacancy**

**7/4/1** For purposes of this Article, a permanent vacancy is created when the Employer decides to fill a position.

### **Section 5 Transfer Limitations**

**7/5/1** A. The applications of the procedures in this Article shall be limited to a maximum of three (3) transfers resulting from any original vacancy.

**7/5/2** B. Employees may not transfer under the provisions of Section 1 of this Article more often than once every six (6) months.

**7/5/3** C. Employees hired in the Department of Transportation as original appointments on and after the effective date of this Agreement may transfer during the first eighteen (18) months of their appointment only with the approval of their current appointing authority.

### **Section 6 Transfer Moving Expenses**

**7/6/1** Those employees being permanently transferred or reassigned at the request or convenience of the Employer shall be given reasonable notice (not less than thirty (30) calendar days from the first day of the next month) and shall be reimbursed for moving expenses subject to the provisions of s. 20.917, Wis. #### **Section 1 Application of Layoff**

**8/1/1** The Association recognizes the right of the Employer to layoff employees in accordance with the procedures set forth in this Article and subject to the provisions in Article X, Section 7. Such procedures, however, shall not apply to:

- A. Temporary layoff of less than twenty-one (21) consecutive calendar days; and/or
- B. Seasonal layoff of seasonal employees; and/or
- C. School year employees at institutions and schools, during recesses in the academic year and/or summer. Such employees shall be considered on an approved leave of absence without pay during these periods.

#### **Section 2 Layoff Procedures**

**8/2/1** A. Preparation for layoff. The following general procedures shall apply in preparation for a layoff.

1. Upon receipt of a written notice from the Appointing Authority of being at risk of layoff, the employee may register for transfer as provided under 7/1/1 of the Agreement. When the Appointing Authority finds it necessary to implement a reduction in work force, the Association shall be notified as soon as practicable, but not less than thirty (30) days prior to the reduction in the work force.

2. The layoff group shall be determined by classification.

3. The layoff group shall be by employing unit within the bargaining unit.

4. All employees in the layoff group shall be ranked by seniority as defined in Article V, Section 1 of this Agreement, except those employees accreted under the provisions of s. 230.15, Wis. Stats., during the period of this Agreement, who shall use their date of accretion for layoff purposes for any layoff which takes effect during the term of this Agreement.

5. With the approval of the Employer, a more senior employee may volunteer to be laid off from employment in lieu of the layoff of a less senior employee with the guarantee that the Employer shall not challenge the more senior employee's eligibility for unemployment compensation, unless that employee refuses a reasonable offer of employment.

6. Limited term employees in the same class within the employing unit (other than student employees) except those in federally funded positions, shall be terminated prior to the lay off of bargaining unit employees.

**8/2/2** B. Determination of Layoff. The following procedures shall apply in implementing a layoff.

1. The Employer shall be permitted to exempt up to one (1) employee or five percent (5%) of the employees (whichever is greater) in the identified layoff group from the layoff process.

2. Employees remaining in the layoff group shall be laid off by seniority with the employee with the least amount of seniority (as defined in Article V, Section 1) laid off first.

3. The Employer shall notify each employee in the layoff group selected for layoff in writing not less than fourteen (14) calendar days in advance of the established layoff date. That layoff notice shall contain reference to the options available to that employee under this Article, and the name of a person and method for contacting that person to obtain any additional information needed by the employee in making decisions on exercise of the options. In addition, a list of available departmental vacancies shall be provided. A copy of such notice shall also be sent to the Association at that time. Upon written request of the employee, the Employer shall provide the employee a written summary of information provided by the contact person.

4. Upon request by an employee notified of layoff, the Employer shall provide the employee with the name and address of a personnel representative for each State agency.

### **Section 3 Options Available to Employees Who Have Been Notified of Layoff**

**8/3/1** Upon receipt of notice of layoff, any employee may within seven (7) calendar days thereafter elect one or more of the following options: displacement, demotion, transfer, replacement or layoff.

**8/3/2** A. Displacement

1. Within their employing unit within the bargaining unit, displace to the next lower classification in the same class series, providing there is no vacancy in the next lower class to which the employee can demote.

2. Should a layoff subsequently occur in the classification to which the employee displaced, the provisions of this Article shall apply.

3. The Employer shall, within seven (7) calendar days, notify the employee of the position to which the employee will be assigned. The employee shall have seven (7) calendar days to accept the

offered position. If the employee fails to accept the offered position within the time allotted, then the employee shall forfeit any further eligibility for displacement.

4. An employee who exercises displacement rights within the employing unit in lieu of layoff immediately obtains permanent status in class in the class into which the employee has been placed.

5. Upon displacement in lieu of layoff, an employee shall receive their current rate of pay.

6. Any person previously promoted from a classification included in the bargaining unit may elect to be displaced to a classification within the bargaining unit in which the employee had permanent status.

**8/3/3 B. Demotion in Lieu of Layoff**

1. a. Within their employing unit within the bargaining unit, an employee may accept demotion to a vacant position, as defined in Article VII, Section 4, in a lower classification in the same series or to a lower classification in which the employee had previously obtained permanent status.

b. Within their employing unit after compliance with contractual transfer and layoff provisions, an employee may accept demotion to a vacant position in a lower classification in the same series or to a lower classification in which the employee had previously obtained permanent status.

c. Within their department, within the bargaining unit, with the approval of the Employer, an employee may demote to a vacant position for which the employee is qualified.

d. Any person previously promoted from classifications included in the bargaining unit may elect to be demoted to a classification within the bargaining unit in which the employee had permanent status.

2. The Employer shall, within seven (7) calendar days, notify the employee of the position to which the employee will be assigned. The employee shall have seven (7) calendar days to accept the offered position. If the employee fails to accept the offered position within the time allotted, then the employee shall forfeit any further eligibility for demotion.

3. Upon demotion in lieu of layoff, the employee shall be granted permanent status in the classification to which demoted.

4. Upon demotion in lieu of layoff, the employee shall continue to receive their current rate of pay.

5. Should a layoff subsequently occur in the classification to which the employee accepted a demotion, the provisions of this Article shall apply.

**8/3/4** C. Transfer.

Employees identified as being at risk of layoff or who have received a layoff notice may submit requests and shall be considered for transfer to any position vacancy with the same or counterpart pay range within any state agency. Employees who have submitted such a request shall be appointed to any permanent vacancy in the same or lower pay range if the employee meets the necessary qualifications for the position. Details specific to such transfers are provided in Article VII.

**8/3/5** D. Replacement

1. Within their department within the bargaining unit, replace the least senior employee in the same classification providing there is no vacancy in the same classification within the department to which the employee can transfer. However, this option shall not be available to the least senior employee in the classification within a department.

2. The Employer shall, within seven (7) calendar days, notify the employee of the position and location to which the employee will be assigned. The employee shall have seven (7) calendar days to accept the offered position. If the employee fails to accept the offered position within the time allotted, then the employee shall forfeit any further eligibility for replacement.

3. Upon replacement in lieu of layoff, an employee shall continue to receive their current rate of pay.

4. Should a layoff subsequently occur in the employing unit to which the employee accepted a replacement, the provisions of this Article shall apply.

**8/3/6** E. Layoff

An employee notified of layoff who fails to secure a position under the options in A, B, C or D above shall be laid off and removed from payroll status.

**8/3/7** Layoff Assistance

With the approval of the Appointing Authority, an employee who has received written notice from the Appointing Authority of being at risk or who has received a notice of layoff shall be granted the following until the effective date of the layoff or until the employee accepts one of the options under Section 3 above:

A. Up to forty (40) hours time without loss of pay for:

1. job search activities, including interviews and examinations in addition to the time specified in Article XI, and/or

2. attendance at job training

B. Unpaid leave of absence for interviews, examinations, and other job search activities or attendance at job training,

C. Assistance or training in the preparation of a resume,

D. Use of office equipment and supplies where available.

For job search activities which require the employee to be absent from the work site, the employee shall give the Appointing Authority at least five (5) workdays notice, where possible.

This provision will be reviewed and may be extended by mutual agreement in the next set of negotiations.

#### **Section 4 Restoration**

**8/4/1A** When a permanent vacancy is to be filled in the agency within a classification from which an employee was laid off or exercised an option in lieu of layoff; the employee shall be restored according to the inverse order of layoff as provided in this Article for a five (5) year period from the date of layoff at a salary not less than the salary received at time of layoff adjusted to reflect any intervening contractual pay increases for which the employee is eligible.

**8/4/1B** Other Departments: An employee who has received notice of layoff or is separated from State service due to layoff under this Article may file a request with any other department and shall be appointed to any permanent vacancy in the same or lower pay range from which the employee was laid off if the employee meets the necessary qualifications for the position.

**8/4/2** Employees are responsible for keeping the Appointing Authority notified of their current address and telephone numbers. The Appointing Authority shall notify employees being restored by registered mail. If unable to contact such employees within ten (10) calendar days from the date of mailing of the offer, such employees shall forfeit any further restoration rights for the vacancy being considered, but shall maintain restoration rights for future available positions.

**8/4/3** A laid off employee who fails to respond to a restoration offer within ten (10) calendar days of mailing of the offer or who fails to accept a reasonable offer of restoration within ten (10) calendar days of mailing of the offer or who, upon acceptance of the offer, fails to be available for work within ten (10) calendar

days of mailing of the offer, shall forfeit any further restoration rights unless an extension is approved by the Appointing Authority. On a case by case basis, by written mutual agreement of the parties, an employee may reject a reasonable offer and retain the right of restoration. Restoration rights of an employee supersedes the transfer rights of other employees set forth in Article VII of this Agreement.

**8/4/4** A reasonable offer of restoration is defined as an offer of a job with an assigned headquarters located less than forty (40) miles from the employee's home unless the employee's assigned headquarters prior to layoff was at a greater distance from home, in which case a job offer shall be reasonable if the headquarters of the position offered is no further from the employee's home than was the distance of the previous assigned headquarters. To be a reasonable offer, such position offered must be comparable to the position in which laid off as it relates to percentage of employment time. In addition, the pay range of the position offered must be no more than two (2) pay ranges lower than the pay range of the position from which the employee was laid off, unless the employee's rate of pay at the time of layoff is maintained in the position offered.

## **Section 5 Reinstatement**

**8/5/1** The employee who is laid off may file a request for employment with any department in state service. Upon approval of that department, and within the five (5) year period from date of layoff as provided in this Article, such employee may be appointed to any vacancy in the same class or any similar class for which the employee might meet the necessary qualifications in the same or lower pay range or job rate as the position from which the employee was laid off. Upon reinstatement to a position in the bargaining unit in an agency other than the agency from which the employee was laid off, the employee shall receive the last rate of pay, adjusted to reflect any unit-wide, across-the-board pay increases which have occurred during the period of layoff, subject to the maximum of the pay range of the position to which the employee is reinstated. Upon reinstatement to a position in the bargaining unit in the agency from which the employee was laid off, the employee shall receive the last rate of pay, adjusted to reflect any unit-wide, across-the-board pay increases which have occurred during the period of layoff.

## **Section 6 Moving Expenses**

**8/6/1** When the Employer determines that it is necessary for an employee who is displacing, demoting, transferring or replacing in lieu of layoff to change the location of the employee's residence, the Employer shall

pay only those expenses of the type and amounts, and subject to the limitations set forth in s. 20.917, Wis. Stats., and the appropriate administrative procedures.

## **Section 7 Employing Units**

**8/7/1** The existing employing units are set forth in the bulletin provided to the Association under the Memorandum of Understanding No. 2, attached to this Agreement. The Employer may change such units. However, before such units are changed, the Association shall be given advance notice of the change.

The Employer shall comply with directions of the Department of Commerce on use of tools and equipment. Employees are required to report any unsafe condition or practice and are responsible for properly using and caring for the tools and equipment furnished by the Employer.

#### **Section 5 Medical Examination**

**9/5/1** Whenever the Employer requires an employee to submit to physical examinations, psychiatric exams, medical tests, including x-rays, or to be inoculated, the Employer shall pay the entire cost of such

services including any time lost from regularly scheduled hours of employment, provided the employee uses the services provided or approved by the Employer.

## **Section 6 Eye Protection**

**9/6/1 Safety Glasses:** The Employer reserves the right to require eye protection for employees. In such cases, the Employer shall provide the appropriate type of safety glasses for the duties performed to protect the health and safety of the employee. The employee may choose either detachable or permanent side shields at the Employer's expense. The parties further agree to remain in compliance with the standards issued by the American National Standards Institute (ANSI), as adopted by the Wisconsin Department of Commerce. If ANSI standards, as adopted by the Department of Commerce, change during the term of this Agreement, this provision will be administered in accordance with such new or modified standards. The employee shall be responsible for the cost of any nonessential feature. If eye examinations for safety glasses are necessary, the Employer shall pay the entire cost of one (1) examination per employee during the term of this Agreement.

A. The credits shall be based upon an employee's full number of years of seniority on the date of retirement.

B. The credits shall be calculated based on the employee's sick leave balance on the date of retirement.

For employees who retire with at least fifteen (15) full years of seniority, the Employer shall match each one (1) hour of accumulated sick leave up to a maximum of fifty two (52) hours per year multiplied by the number of years of service through twenty four (24) years. For years of seniority over twenty four (24) years, the Employer shall match each one (1) hour of accumulated sick leave credit up to a maximum of one hundred and four (104) hours per year multiplied by the number of years of seniority over twenty four (24) years.

Employees who have earned part of their seniority while in protective occupation status shall have their credits prorated in accordance with these provisions:

C. If at the time of retirement, the employee has seniority of less than twenty five (25) years, multiply the number of years as general by fifty two (52) hours. Multiply the number of years as protective by seventy eight (78) hours. Combine these totals to determine the maximum matching credits.

D. If, at the time of retirement, the employee has seniority of over twenty four (24) years, determine the proration based on the first twenty four (24) years of service and then add one hundred and four (104) hours for each year of seniority over twenty four (24) years.

Employees who suffer from a personal illness or injury that requires them to use at least five hundred (500) hours of accrued sick leave during the three (3) years immediately prior to retirement shall receive five hundred (500) hours credited to this account upon retirement.

Employees shall be required to provide medical documentation of such illness or injury to the Employer on forms provided by the Employer at the time the leave is taken. Employees who have suffered such an illness or injury during the three (3) years immediately preceding the effective date of this contract shall also be required to provide supporting medical documentation.

Access to these credits for payment of post retirement health insurance premiums shall occur only after all Accumulated Sick Leave Conversion Credits (ASLCC) have been exhausted.

In the event an employee returns to a position covered by this Agreement after having retired, the credits in this account shall be held in escrow until the employee again retires. The credits will then be adjusted to reflect additional years of seniority and sick leave accrual.

At the employee's option, these credits shall be converted using the employee's base pay rate at the time of retirement or the average of the employee's base pay rates during the employee's three highest earnings years.

For informational purposes, a chart portraying this benefit is found in Appendix G.

**13/4/4** C. The Employer agrees to continue in effect the provisions of s. 40.05(4)(b), Wis. Stats., which provide that at the time of retirement or in the event of death, accumulated unused sick leave shall be converted at current value and credited to the employee's account. The conversion credits once recorded shall be used on behalf of the employee or surviving spouse, child(ren), or other dependents to offset the cost of the monthly health insurance premiums as provided under the provisions of s. 40.05(4)(b), Wis. Stats.

**13/4/5** D. Separation from the service shall cancel all unused accumulated sick leave. After the effective date of this Agreement, when a person who is an employee with permanent status in class is laid off or resigns, any unused accumulated sick leave shall be restored, if the employee is re-employed by the same agency or is rehired by any other agency of the State within ~~three (3)~~ five (5) years.

This section shall not be used to recompute the amount of sick leave accumulated in an employee's account prior to July 1, 1993 or prior to the date an employee becomes a bargaining unit member.

**13/4/7** F. Payment of Health Insurance Premium for Laid Off Employees.

Upon written request of an employee, accumulated unused sick leave shall, at the time of layoff, be converted to cash at the employee's current base pay rate for credits to be used to pay health insurance premium costs during the time of layoff. Direct premium payment to the insurer shall be made by the Employer on behalf of the laid off employee. Premium payments under this provision shall be limited to a maximum period of five years from the date of layoff or shall cease the first of the month following the

acceptance of any other employment, whichever occurs first. At the time of reinstatement or restoration, unused cash credits shall be converted to sick leave at the same rate used for the original conversion and restored to the employee's sick leave account.

**13/5/7 Catastrophic Leave**

This is a program to allow employees to voluntarily donate (transfer) annual leave, Saturday legal holiday, personal holiday and sabbatical leave time to employees who have been granted unpaid leaves of absence due to catastrophic need for which no eligible paid leave benefits or replacement income are available. It is understood that these transfers are a conditional benefit and not a right of potential recipients.

Catastrophic illness or injury is defined as an illness or injury which is expected to incapacitate the employee and which creates a financial hardship. Catastrophic illness or injury may also include an incapacitated family member if this results in the employee being required to take time off from work for an extended period of time to care for the family member.

A joint committee composed of equal representation of Association, Union and Employer representatives will be designated to establish and/or modify guidelines, policies, and processes for application, approval, review of denials and confidentiality of requests or donations by potential recipients and donors. One (1) representative from each certified parent union with an Agreement containing a Catastrophic Leave

provision, one (1) classified non-represented employee, and designated Employer representatives will comprise a joint committee.

Transfers may occur among covered employees in the same agency. Transfers between covered employees in different agencies may occur with the affected agencies approval. Stats., unless approved or authorized by the UW Board of Regents, unclassified employees of the State of Wisconsin Investment Board, and elected officials.

The Association shall establish an approval committee, comprised of no more than three (3) Association representatives and one (1) management liaison. Leave requests must be approved by the Association committee having jurisdiction over the applicant. Consistent with the provisions of this section, the committee shall have final decision making authority. Applicants may request a review of denials before this committee.

Donations shall be from within the same employing unit first and may be expanded to the agency level with agency approval. Donations shall be on an hour for hour basis and used in order of receipt.

The Association approval committee will notify the Employer of approved recipients and donors. The Employer will transfer donated leave from donor to recipient leave accounts. ~~Every effort shall be made to maintain the confidentiality of the donor(s) and recipient(s) upon request~~ Notwithstanding the provisions of ss. 19.31-19.36, Wis. Stats., the Employer will not release any information relating to approved recipients or donors, unless required to do so by the Wisconsin Employment Relations Commission, or a court of law..

To be an eligible recipient, an employee:

- A. Must have completed the first six (6) months of an original probationary period. (Days of catastrophic leave benefits to a recipient shall be considered as leave without pay for probationary extension purposes).
- B. Must be on approved unpaid leave of absence.
- C. Must be in need of at least one hundred and sixty (160) hours.
- D. Must be absent due to a catastrophic illness or disability of an employee or a member of the employee's immediate family for which medical documentation is provided.

- C. Must remain a state employee.

An applicant may consult with their Association representative by telephone for assistance with completing application materials for the Catastrophic Leave Program. Special requests for personal meetings or other arrangements based on an employee's disability may be considered.

It is understood that nothing in this Section shall require either the Association or the Employer to take any action determined to be illegal or in conflict with other provisions of this Agreement.

It is understood that the provisions of this section are not subject to the appeal provisions of Article IV of this Agreement.

**13/5/8** Employees shall be allowed to use earned annual leave from their last year of service prior to retirement or their accumulated sabbatical leave time, or both, for a payment of medical insurance premiums at the group rate of post retirement periods as under s. 40.05(4)(b), Wis. Stats.

### **No Strike or Lockout**

**14/1/1** Inasmuch as this Agreement provides machinery for the orderly resolution of disputes which relate to this Agreement by an impartial third party, the Employer and Association recognize their mutual responsibility to provide for uninterrupted services. Therefore, for the duration of this Agreement:

**14/1/2** A. The Association agrees that neither it, its officers, agents, representatives or members, individually or collectively, will authorize, instigate, cause, aid, condone, or take part in any strike, work stoppage, sit down, stay-in, slowdown or other concerted interruption of operations or services by employees (including purported mass resignations or sick calls) or any concomitant thereof. The Association agrees that the Employer has the right to deal with any such strike activity by:

1. Imposing discipline, including discharge or suspension without pay on any, some, or all of the employees participating therein, and/or on any, some, or all of the leaders of the labor organization who so participate, as the Employer may choose;

2. Canceling the civil service status of any employee engaging therein;

3. Seeking an injunction and/or requesting the imposition of fines either against the Association and/or the employee(s) engaging therein, and/or suing for damages because of such strike activity.

**14/1/3** When the Employer notifies the Association by certified mail that any of its members are engaged in any such strike activity, the Association shall immediately, in writing, order such employees to return to work, provide the Employer with a copy of such order by certified mail within twenty four (24) hours of receipt of the notification from the Employer, and a responsible officer of the Association shall publicly order the striking employees to discontinue such conduct through the medium of local newspapers and/or local radio. This clause is not subject to the arbitration provisions of this Agreement but shall be enforced by the ordinary processes of law.

**14/1/4** B. The Employer agrees that neither it, its officers, agents or representatives, individually or collectively, will authorize, instigate, cause, aid or condone any lockout.

**14/1/5** C. services by employees, or in the event of a dispute arising as to whether or not the Employer has locked out employees, such disputes shall be settled as provided in Article IV of this Agreement. This Article shall not affect the right of the Employer to deal with any strike activity pursuant to Part A of this Article.

### **General**

#### **Section 1 Obligation to Bargain**

**15/1/1** This Agreement represents the entire Agreement of the parties and shall supersede all previous agreements, written or verbal. The parties agree that the provisions of this Agreement shall supersede any provisions of the rules of the Director and the Personnel Board relating to any of the subjects of collective bargaining contained herein when the provisions of such rules differ with this Agreement. The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that all of the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Association, for the life of this Agreement, and any extension, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

#### **Section 2 Partial Invalidity**

**15/2/1** Should any part of this Agreement or any provision contained herein be declared invalid by operation of law or by any tribunal of competent jurisdiction, such invalidation of such part or provision shall not invalidate the remaining portions hereof and they shall remain in full force and effect.

#### **Section 3 Definition of Probationary Employee**

**15/3/1** The term “probationary employee” as used in this Agreement relates to all employees serving on a probationary period as defined below. Stats., and Wis. Administrative Code, Chapter ER-Pers 13, in the cases of trainees, intern classes, reinstatement, transfer, and demotion, or where longer probationary periods are authorized.

**15/3/2** The inclusion of this Section in the Agreement is for informational purposes only and does not constitute bargaining with respect to the subject matter of this Section. Further, any amendment to the aforementioned law or rule governing probationary periods will require an immediate amendment to this Section.

#### **Section 4 Retroactivity**

**15/4/1** No provision of this contract shall be retroactive unless specifically so stated.

1. Eligible: Subject to 2., below, employees in positions allocated to classifications assigned to pay ranges 14-03, 14-22, 14-46, and 14-55 whose base pay rate is at or above PSICM of the applicable pay range and less than the applicable threshold (Point E for pay ranges 14-03 and 14-46, or Point C for pay ranges 14-22 or 14-55) are eligible for semi-automatic adjustments as specified in C., below.

2. Ineligible: The following employees are not eligible for a semi-automatic progression adjustment:

a. Employees who have received an unsatisfactory performance evaluation prior to the employee attaining the next progression level and who have not received written notification that the unsatisfactory performance has been corrected;

1) Employees must be notified of unsatisfactory performance in writing. The written notification must include:

a) Details of each occurrence of unsatisfactory performance.

b) Identification of goals and expectations stated in terms that are observable and measurable and which specify how expectations are to be accomplished.

2) Employees who have received an unsatisfactory performance evaluation will receive a new performance evaluation within six (6) months, or prior to the next scheduled progression adjustment, whichever is sooner.

3) Upon satisfactory completion of the goals and expectations, the supervisor will, prior to the next scheduled progression adjustment, provide the employee with written notice of satisfactory performance. The employee will receive the next scheduled adjustment in accordance with C./3., below.

b. Employees who are serving the first six months of an original or promotional probationary period.

### B. Effective Date.

1. Semi-automatic progression adjustments for eligible employees will be awarded at six (6) month intervals based on the employee's time in the classification series. Time in the classification series will be adjusted for absences from employment of more than one hundred and seventy four (174) work hours per six (6) month progression interval (excluding approved annual leave), approved leaves of absence, layoff,

and resignation. Adjustment of time in the classification series for the aforementioned reasons may be waived at the sole discretion of the appointing authority.

2. Semi-automatic progression adjustments will be effective on the first day of the pay period following the employee attaining the next progression interval. If the employee attains the next progression interval on the first day of a pay period, the semi-automatic progression adjustment will be effective on that date.

C. Amount.

1. Denial of a semi-automatic progression adjustment shall not be arbitrary and capricious and shall be supported by documentation as specified in A./2./a./1., above.

2. Except as provided in 4., below, on the effective date of the semi-automatic progression adjustment, an employee's base pay rate will be increased to the pay rate which is closest to but greater than the current base pay rate, in accordance with the applicable progression schedule provided in this Appendix-E.

3. If eligible, an employee whose semi-automatic progression adjustment has been previously denied due to circumstances described in A./2./a., above, will receive an increase to the greater of the following rates on the effective date of the next scheduled semi-automatic progression increase:

a. The pay rate ~~which~~that is closest to but greater than the employee's current base pay rate; or

b. The pay rate ~~which~~that corresponds to the employee's time in the classification series.

4. An eligible employee who is scheduled to progress to the end point of the progression schedule will receive a progression increase or be reclassified, as specified below:

a. Employees in positions allocated to classifications assigned to pay ranges 14-22 and 14-55:

1) Progression increase: An employee who has served less than two (2) years in the classification series will receive an increase as provided in C./2., above.

2) Reclassification to the Journey level: An employee who has served at least two (2) years in the classification series will be automatically reclassified to the Journey level classification. Pay on reclassification will be set in accordance with s. ER 29.03(3)(c), Wis. Adm. Code (Pay on reclassification to a higher pay range).

b. Employees in positions allocated to classifications assigned to pay ranges 14-03 and 14-46:

1) Progression increase: An employee who has served less than three (3) years in the classification series will receive an increase as provided in C./2., above.

2) Reclassification to the Senior level: An employee who has served at least three (3) years in the classification series will be automatically reclassified to the Senior level classification.
